## **Praise Night Donations – Vote and have your say!**

The Fundraising Group would like to gauge the mind of the congregation in relation to the upcoming Christmas Praise Night, to be held in the Town Hall on Saturday 14<sup>th</sup> December 2024. Entry to this event is by donation and funds which are raised at the Praise Nights have traditionally been given to local charities. The Fundraising Group acknowledge that there are many worthy charities which need the money and found it difficult to decide which charity to support. Instead they have decided to undertake a poll in the congregation. Please click on the link below which will take you to a one question questionnaire to ask you to vote for your preferred charity out of the short list of five.

<https://forms.office.com/e/uGy41ekciH>

Voting is now open and will remain so until 5:30pm on Monday 4<sup>th</sup> November 2024.

Donations from the Christmas Praise Night will go to the charity which comes top in the poll whilst donations from the Easter Praise Night will be forwarded on to the charity which comes second in the poll. Thank you in advance for your participation.

### **CVE (Scotland) Soup and Pudding Lunch**

The Board of Management at Christian Values Education (Scotland) wish to express their gratitude to all those who in any way contributed to Saturday's Soup and Pudding Lunch in aid of Christian Values Education (Scotland). £850 was made on the day but a number of donations have since come in which have brought the total to £1000. God is good indeed and gives far more than we expect or deserve.

So many of our congregation contributed to this event either by making soup or puddings, helping on the day or indeed attending the lunch itself. All this effort was put in for a little-known charity that seeks to support pupils, parents and staff in ensuring Christian values still have a place in Scotland's schools. Particular thanks must go to Donald who agreed to take charge in the kitchen and who ran it in his usual capable and unflappable manner.

Kirsteen would like to express her own grateful thanks to friends, colleagues and her church family here at HFC for all that they did to help make this event the success it was. Thank you all so much.

## **Communications Committee Statement – Tesco Opening**

It is with immense disappointment that we note the Stornoway branch of the British supermarket giant, Tesco, are considering opening their doors seven-days-a-week.

Since opening the store in 2008, we are extremely grateful that Tesco has respected our community and our island culture. Everyone has benefitted from Tesco's presence in our community. Many have valued their service, as well as the additional option for 'click & collect' and home delivery.

However, despite the many positives, we believe that this is a negative step, and one that would have a detrimental impact upon our unique and quiet Sunday. Conversely, the biblical view of the Christian Sabbath is not negative but positive, having many spiritual, physical, social and mental benefits. We believe that if Tesco wish to go ahead and open on Sunday it will undermine these valued benefits. Ultimately it will impact our community, and we risk losing our cherished way of life which has been a big part of our island identity. We believe that Tesco needs to take this into consideration, especially as they have a responsibility to care for their employees and their families.

Following days of communication and consultation, both in the media and on social media, there have been many people, near and far, religious and irreligious, who have spoken positively about our quiet Sunday tradition. A tradition which, although founded upon biblical teaching, is experienced and enjoyed by many across our islands. This was certainly evidenced by a healthy discussion and debate on 'The Jeremy Vine Show' on Radio 2 earlier this week.

As a Presbytery of congregations in the Western Isles, we would urge Tesco to partner with us by protecting our precious heritage and reconsider their proposal to open their store on the Lord's Day. We would also encourage everyone in our congregations to make this a matter of prayer.
